To be eligible for the We Care Scholarship you must meet the following criteria:

- Studying a full time, undergraduate course
- UK (Home) student
- Aged under 25 on the first day of the academic year (1 September)
- Irreconcilably estranged from both parents/carers*.

This means that either:

- You have had no contact at all with your parents/carers for at least 12 months and this is unlikely to change.
- OR
- You can demonstrate on other grounds that you are irreconcilably estranged from your parents (e.g. in exceptional circumstances, or assessed as independent by Student Finance England or by a Local Authority because you are estranged from both parents/carers).

* For estrangement cases that cannot be confirmed by SFE, proof of evidence of 'genuine estrangement' would need to be supplied to the University. All applications of estrangement are assessed on an individual basis.

Please note – You will **not** be considered estranged simply on the basis that you (i) live separately from your parents, (ii) have recently fallen out with your parents, or (iii) your parents are unwilling to complete income assessment forms or contribute towards your student finance.

Please tick if you believe that you meet the 'Estranged Students' criteria detailed above. ☒ Yes ☐ No
